30th Madeira Music Festival

The 30th edition of Madeira Musical Festival ascertains the event's importance in the cultural offer of Madeira's panorama, providing residents and tourists with an opportunity to experience unique moments in some of our best historical venues, presently associated to great concert performances.

Within the overall planning of the Atlantic Festival, occurring throughout the month of June, the Madeira Music Festival pretends do meet specific claims in terms of cultural tourism, offering, both Madeiran and visitors, a wide range and high quality repertoire of classical music. Seeking enhancement and quality in terms of program, we expect that the different highlight moments reach up to every cultural public expectation.
