# Funchal's City Day

The city of Funchal celebrates its 500 anniversary on the 21<sup>st</sup> of August, an historical and symbolical date.

Besides the great amount of activities that have been taking place all over the city, and also the official commemorations, on this day there will be a relay race with participants of all Madeira and Porto Santo districts, live music and dance shows provided by musical groups and folklore groups in the streets of Funchal, aerial acrobatics, parachute jumping, paragliding, etc... On this day, the city's anniversary will be commemorated in several ways.

At nightfall, Funchal will be invaded by two parades, one of ancient cars and the other one, with more than 600 participants, related to the historical facts of Funchal.
