ATLANTIC ROOTS FESTIVAL

The Atlantic Roots Festival, that takes place for the 12th consecutive year, brings to the Capital of Madeira musical animation of traditional influence combined with world music, joining groups of several origins at the Municipal Garden stage. This event takes place from 21st to 23rd July.

On the first day we'll have the Galundum Galundaina group from Portugal, at 9:30 p.m., followed an hour later, by the Gattamolesta group from Italy, that will open this year's poster. On the following days, we can watch several concerts from Guinea Bissau, Dutch, Azorean and Madeiran groups. After the concerts on the Municipal Garden auditorium the "After-hour" takes place at the Mini Eco Bar, on the other side of Arriaga Avenue.

STOPPAGE OF TIME

"We go into this intervention of matter (signs-physicals), with the possibility of symbolize our connotation of time, of ontological space with sanguinary violence, starving, with our semantic structure stuck to the normal senses crown and go out on the same horse, indifferent to the last sigh of life's game, without a possible shield, without the possibility of redemption. We are the main course in the hands of time that moulds us for sweat and tears close to a cold stone wall, where it stands the oven of the diabolic bread of a survival".

Excerpt of the text written by the poet Carlos N6 about the installation of "Stoppage of Time".

"Stoppage of Time", a sculpture exhibition by Jacinto Rodrigues, patent at the Museological Nucleus of Machico, Solar do Ribeirinho untill September 2011.
