## ***What a Wonderful World!***

"Art Deco – What a Wonderful World! is a Berardo Collection exhibition curated by the leading specialist in Latin America, Márcio Alves Roiter, Founder and President of Instituto Art Déco of Brasil.(...)"

What a Wonderful World introduces furniture, ceramics, glass, paintings, sculptures, textiles and drawings, along with some pieces from the Musée des Années 30 Boulogne-Billancourt Collection, and two cars from the period, a Rolls Royce and an Amílcar, both belonging to private collectors.

A great part of the Art Déco collection is shown for the first time in Madeira, however, also included in this display are the most recent acquisitions of Joe Berardo, never before exhibited.

A wide diversity in a single collection, where it's possible to verify the influence of this eclectic movement in the most different areas of: design, visual arts, fashion and decorative arts.

## Faial FM 2010

2010's marks the take off a brand new Faial International Festival "Vozes do Atlântico". Organized by Terra Cidade, Entidade Empresarial Municipal and by the Associação Desportiva e Cultural do Faial, the event, from now on know as Faial FM, aims to promote and enhance Madeira's musical and artistic production, as well as to promote competition among Madeiran artists, whether groups or individual, through the adaptation and re-edition of already know musical themes.

Being a cover's festival, the organization wishes to encourage and support the projects with greater creativity and originality in their adaptation, with vocal and instrumental quality, and obviously, stage performance.

At the same time, other activities, such as drama and body expression workshops, and a DJ and multimedia course, will be happening.

Faial FM 2010 will be held in two rounds. The 1st one takes place on the 20th of August, in Santana, and then 2nd on the 28th of August at São Jorge beach. The last round includes the grand finale, in Faial, on the 4th of September.
