“Grotox”

In this show dancers from the group “Dançando com a Diferença” interact with musicians from other groups, such as: the “5ª Punkada”, which gathers individuals from the “Associação de Paralisia Cerebral de Coimbra”, as well as musicians from the group “Factor E” - a creative team of trainers from the “Casa da Música” Educational Services.

Its première took place at the “Casa da Música” (Porto), as part of the festival “Within everyone’s reach 2009/ Music, Technology and Special Needs. Combining dance, music and video, “Grotox” questions the concept of beauty and the body’s role in the way we relate with each other.

A project from the “Casa da Música”, integrated in the festival “Within everyone’s reach 2009/ Music, Technology and Special Needs.”

With artistic direction and choreography by Henrique Amoedo, the show goes on stage on the 1st and 2nd of May, 9.00 p.m. at the Centre of Arts – Casa das Mudas.
