Madeira Music Festival

Every year in June the Regional Secretariat for Education and Culture, through the Department of Cultural Affairs, promotes the Madeira Music Festival, an initiative that privileges erudite music. From sacred music to choral music, classical ballet and contemporary dance, the Music Festival introduces once more to the Region important names of dance, music and choral music.

Occurring firstly only in Funchal, nowadays the Music Festival extends to some districts of the Region, providing to residents and visitors exquisite moments.

This year the Centre of Arts – Casa das Mudas takes in as guests the Portuguese National Ballet Company. Besides music, the city welcomes the Festival of the Atlantic having on every Saturday night a contest of fireworks.
