# Carnival

The party, entertainment, colour and magic of Carnival are coming up! After the end of the Christmas season, another festive period approaches, in which imagination and jollification merge at the sound of samba.

Animation is constant throughout the Madeira archipelago where both adults and children get together to organize carnival parades and taste the delicious “sonhos” and appetizing “malassadas”.

The “Festa dos Compadres”, in Santana, opens the festivities immediately during the first weekend of February, followed by a similar scenario in the rest of the island. In Funchal, under the theme of “Seas and Oceans” is held the Great Carnival Parade covering the main thoroughfares of the city. On Shrove-Tuesday and closing the carnival festivities, takes place the lively Fun Parade.
